The Potomac served as the Presidential Yacht for Franklin D. Roosevelt. Now she is fully restored and berthed in Oakland. Perhaps you've seen her while boating on the Estuary!?

IYC Member and Potomac Volunteer Nancy Lasky has put together our June Membership Speaker Series program, all about this local floating landmark.

The Potomac in 1939.

Above: King George VI of England and his wife Queen Elizabeth boarding the Potomac to meet with FDR.

Right: Sunk!

Far Right: Wrecked Potomac getting hoisted.
